Dr. Owen Weston has a goal to stop the decline of churches in America and to see new churches planted. He serves as the President of CPR Institute, adjunct professor at Southwestern Christian University, Coordinator of Doctoral Studies in the U.S. for the University of South Africa, and author of several books including *The 7 Laws of 7* and *Spiritual Gifts: Your Job Description from God*.

Pastor Chris Hodges began his ministry in 1984 as Youth Minister with Pastor Larry Stockstill of Bethany World Prayer Center near Baton Rouge, Louisiana. Two years later he met and married his wife Tammy. Chris and Tammy moved to Birmingham at the end of 2000 with the dream of building a life-giving church focused on the simplicity of the gospel and the power of an intimate relationship with a loving God. Church of the Highlands had its first service in February 2001 and the dream just keeps getting bigger as amazing growth continues.
